To

The Government of Madras

Humble memorial of Benjamin Joseph Kunder...

Mercara Hill, Kankanady Post, Mangalore.

Dated 15-4-1925.

ost respectfully showeth,

The memorialist humbly begs to bring to the kind notice f the benign Government that he is an ex-military clerk served in esopotamia and on discharge from the military service his name as included in Mr. Ormsby's waiting list No.8 dated 1-8-21.

The memorialist was given a footing in the Excise Depart-ent as per Excise Assistant Commissioner's orders D.No.282/22 dated 4-2-22, and he served as a clerk from 10-3-22 to 3-4-24 in Udipi ircle Office from where the memorialist was ousted for want of acancies consequent on the bifurcation of the Department.

On a subsequent representation made by the memorialist the Government of Madras on 25-4-24 when memorialist was out of mployment he was again provided (Please vide Government-Revenue-emorandum number 1253 D-24-1 dated 6-6-24) with an acting clerk's lace in Kasargod Circle office where the memorialist served from 2-5-24 to 3-3-25 an unfortunate as the memorialist is he stands gain discharged from service for want of vacancies. The order (D.Dis.No.229/25 dated 12-2-25) of the Assistant Commissioner, West Coast Division shows that the memorialist is reverted which means discharged (copy enclosed) as the memorialist have no other permanent footing in the Department in which he served for a period of about 3 years with a temporary break in 1924.

The memorialist represented his grievances to the Commissioner of Excise who was pleased to refuse to grant the memorialist's requests as per Excise Commissioner's D.No.419-Abk., 20-2-25 (copy enclosed)

The memorialist submit that he is in a distracted stat of misery as he is unable to support himself without employment. This is a condition which the memorialist cannot express in adequate words as it is a thing more to be experienced than be

expressed. If the memorialist is to be muted out with such treatment at this time when he requires the help most, his conditions will be more miserable as he is not now in a position to seek his livelihood outside after sacrificing nearly 3 years in the Excise Department excluding his services in the military Department.

The memorialist personally represented his grievances to the Collector of South Kanara on 7-3-25 for kind enquiry and early re-employment but the memorialist was not favoured with any reply till now though it was orally ordered by the Collector that provision will be made in the Revenue Department.

The memorialist humbly begs to submit that if no provision could be made for him in the Excise Dept. at present he will be thankful if provision is made in any other Department and thus save him from utter starvation which is the only alternative the memorialist sees before him if he is to remain without any employment.

For which act of kindness and mercy the memorialist shall as in duty bound ever pray.
